

What would you give if you could change a life?

What would you give if you could help someone weather a financial emergency?

Recently a young mother faced a medical crisis that left her unable to afford her monthly rent. Afraid she and her young son would be forced from their home, she came to JFCS. Through JFCS Emergency Financial Assistance, she received short-term support to help her past this crisis toward long-lasting solutions for her and her child.

Emergency Financial Assistance is just one of 40 programs at JFCS providing essential services to 16,000 people of all backgrounds and at all stages of life.

Your contribution to this year's campaign, Give2014, helps fund these crucial programs that strengthen our community one person at a time. On behalf of those who benefit from your generosity, we thank you!
